District 11 Alumni Association

Celebrating 61 Years

1960-2021

May 1, 2021

Dear Fellow Alumnus of Shidler High School:

Thank you for your ongoing support of Shidler Schools and your District 11 Alumni Association.

Over the past 61 years the Alumni Association has continued to host the annual homecoming and has provided thousands of dollars in scholarships and donations to Shidler Schools, its students, and teachers. As we begin our seventh decade of service, we will strive to continue these investments in the young Shidler students and Shidler Schools.

Also, 2021 is the year that Shidler Schools will celebrate the opening of a new high school!

Because much of our association's fundraising efforts are focused around annual homecoming activities, we are now reaching out to you personally to request that you give consideration for financial support so that we can continue our support of Shidler Schools through scholarships and grants in addition to planning the annual homecoming events.

The District 11 Alumni Association is a registered 501(c)(3) charitable organization, and your gift (of any size) can be tax deductible. Attached is a form that you can use to submit your donation. You can designate where you want your gift to be applied. You can even make your gift "in memory of" or "in honor of" another person.

We hope you will consider a generous contribution this year, as we strive to keep alumni connected to our school and each other.

Thank you for your kind consideration. We look forward to hearing from you soon.

Respectfully,

Jeri MacRury

Jeri (Rash) MacRury, President
District 11 Alumni Association

Effective as of April 1, 2021, there is no longer a connection between the Alumni Association and the separate fundraising organization known as the Shidler Schools Foundation, Inc. Please know that the SSFI is not involved with planning or coordinating any official District 11 Alumni Association Homecoming events or activities for Shidler Schools.

*Now in the 61st year of service to Shidler Schools and District 11 alumni, your **District 11 Alumni Association** will continue to provide generous support for annual Homecoming events and will also encourage alumni and friends to provide annual donations to support student scholarships and teacher grants for Shidler Schools.*

Thanks for your past and future support of your District 11 Alumni Association.
